Central New York Ghost Hunters

Dear Friends:

Thank you for taking the time to think of the Central New York Society for the Prevention of Cruelty to Animals, and for your very generous donation of \$89.00 in 2016. The kindness and concern of Friends of the SPCA are vital to support the work of the Society and to improve the welfare of animals in Central New York.

The Central New York SPCA is a 501(c) 3 not for profit organization, which each day cares for an average of 400 animals. Last year alone the CNYSPCA adopted out over 2,000 animals and reunited more than 250 animals with their families. Being the largest shelter in the area, we have many challenges in meeting the needs of stray, abused and abandoned animals in our community.

Please continue to support our organization by donating online or by mail. The gift you so kindly donate to the shelter will help meet the needs of our animals.

Thank you for opening your heart and thinking of the CNYSPCA. On behalf of *"those who cannot speak for themselves"*, we thank you, so very much, for your kindness. Please feel free to contact me if you have any questions or need any additional information.

Sincerely,

Nick Pirro  
Interim Executive Director
