Dear Melissa,

The CNY Ghost Hunters were great! Our staff enjoyed working with everyone on your team. We appreciate the talent and time donated to help Herkimer Home raise \$ 3000 towards reproduction mirrors for our historic home.

About 218 people were able to experience ghost hunting last evening! There were many positive feedback comments from those attending, and many are excited to return next year.

Thank you for supporting Herkimer Home State Historic Site. We look forward to our continued collaborations.

Sincerely,

Karen Sheckells
